A DELIGHTFUL MUSICAL RECITAL

Miss Helen Fratt's diploma recital given last night at Library half last night did not attract a very large crowd, but as an entertainment it was a grand success. Miss Pratt has made several appearances in public in Albuquerque, and ahe has always been well received, but never before did she appear at such an advantage as last night. Of the many musical entertainments that have occurred in Albuquerque the past winter, Miss Pratt's graduating recital stands out prominent among them. The young lady was assisted by Professor Krebs and Mrs. Himne, faculty of the Untversity School of Music, and W. H. Worth.
